ANALYSIS AND OBSERVATION REPORT

SAMPLE'S

Owner : Sedef Kimya Industry And Trade Limited Company
Type : Nonflammable Thinner
Appearance : Colorless transparent liquid
Packaging : Plastic bottle
Arrival Date : 03.03.2014
Sample Taken By : Company Authority (Sebahattin Baydere-Ayla Baydere)

ANALYSIS AND OBSERVATION RESULTS:

It was observed during the tests made on 1 colorless solution specified to by Nonflammable Thinner that has been brought for analysis by Sedef Kimya Industry And Trade Limited Company authority, Ms. Ayla Baydere that the solution did not possess characteristics for **COMBUSTION** and **EXPLOSION**.

It can be used in all types of cleaning instead of THINNER and it can be blended into the paint as well if studies are conducted on it.

It conforms to the standards.
